PERFECTLY MATCHED BEAUTIFULLY COORDINATED

Creating a bathroom that fosters harmony and relaxation takes careful thought and inspiration. GROHE helps you achieve your vision with two distinct collections of ceramic sinks and toilets designed to pair with an array of GROHE faucets.

For a clean, tailored look, the Eurocube® collection offers sharp lines and precise angles. For a softer vision, the Essence collection offers gentle curves and pleasing contours. Both collections exemplify precision and craftsmanship, that are hallmarks of the GROHE legacy.

PURITY, POWER, PERFECTION

Unrivalled In Power And Purity

GROHE toilets are a perfect balance of presence and power. A testament to visual beauty and superior performance, each collection offers advanced flushing power, easy-clean convenience and comfort. Reflecting precision in every detail, the Eurocube® and Essence toilets complement a variety of GROHE faucets to create a perfectly coordinated bathroom.

INFINABRIGHT™

Durable coating reduces dirt and bacteria build-up ensuring the surface shines longer so you scrub less

DREAMCLEAN™

Innovative rim design releases powerful rush of water, scrubs the bowl top-to-bottom with every flush

POWERFUL FLUSH

Forceful, clog-free siphon flushing action clears the bowl completely on the first flush

QUICK-RELEASE SEAT

With push-button ease, remove and replace the seat for quick, easy, thorough cleaning

SOFT-CLOSE SEAT & COVER

Slow, gentle motion is designed to eliminate the noise and annoyance of slamming

OUR ASPIRATION IS **PERFECTION IN EVERY DETAIL**

Our dedicated design team considered every angle and curve before determining the perfect combination of faucet and sink. The results reveal perfect balance and visual beauty that brings order and calm to this special space. In addition, our team tested functional efficiency against three criteria and found every combination exceeded expectations for:

- Easy installation
- No splashing during hand washing
- Plenty of space for optimum comfort
