GROHE

GROHE
PRICE LIST
2019

EFFECTIVE APRIL 1, 2019 - SUPERSEDES ALL PREVIOUS SCHEDULES

LIMITED LIFETIME WARRANTY

RESIDENTIAL PRODUCTS:
GROHE provides the following warranties on its products to the original purchaser installed in a residential application. This warranty is effective for all faucets sold after January 1, 1997.

MECHANICAL WARRANTY:
A Limited Lifetime Warranty is provided on all mechanical parts to be free from manufacturing defects in materials and workmanship under normal use for as long as the original purchaser owns their home.

ELECTRONIC FAUCETS, VALVES AND CONTROLS WARRANTY:
GROHE warrants that its electronic faucets, valves and controls to be free from manufacturing defects in material and workmanship under normal use for five (5) years from the date of purchase by or for the original consumer owner.

FINISH WARRANTY:
A Limited Lifetime Warranty is provided on all GROHE product finishes to the original purchaser against manufacturing defects in materials and workmanship.

COMMERCIAL PRODUCTS:
GROHE warrants its products installed in a commercial application* to be free from manufacturing defects in materials and workmanship under normal commercial use for a period of five (5) years from the date of purchase by or for the original consumer owner. Commercial application is defined as installations in apartments and other rental units, non-residential facilities, hotels, commercial businesses and/or other public accommodations.

Replaced products or parts are warranted only for the period remaining under the initial warranty at the time of replacement. For Commercial warranties – standard batteries, Aquatunes, F-Digital, GROHE Blue® and Touch are not included in the warranty.

*GROHE warrants all wall carrier products installed in a commercial application to be free from manufacturing defects for a period of ten (10) years from the date of acquisition by original owner.

OUTSIDE USE:
Please note that our products are stringently tested against common use situations, however they are not tested in an outside environment in which products may be exposed to salt, temperature changes, harsh conditions or other weather-related elements that may affect finishes. It is critical to protect products from frost by removing during the winter months. Products used outside will be protected by one-year warranty only.

At the company's discretion, GROHE will repair or replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. Please note: warranties do not cover normal "wear and tear." For more information or to enter your claim, visit our website: http://www.grohe.com/us/5685/services-for-you/warranties/

Please allow 7 to 14 business days for warranty processing.

EXCLUSIONS AND LIMITATIONS:
This warranty is extended to the original consumer owner, but does not cover installation, labor charges or other incidental or consequential costs and shall not apply to any products or parts of products which have been:

A) Repaired by unqualified persons or not using original GROHE spare parts or altered in any manner unless previously authorized in writing by GROHE; or

B) Damaged as a result of misuse, negligence, accident or faulty installation or maintenance; or

C) Installed or used in a manner contrary to GROHE's printed instructions; or

D) Damaged by the effects of dirt, limescale or aggressive cleaners. This is the exclusive warranty by GROHE, which does not make any other warranty of any kind, including the implied warranty of merchantability. This warranty excludes all filter, cooler & heater parts and accessories; outdoor, marine applications, industrial, commercial, and business usage whose purchasers are extended a one (1) year limited warranty from the date of purchase, with all other terms of this warranty.

Proof of purchase (copy of your original receipt, purchase order or invoice), the date the product was purchased and the installation date will be required.

THIS WARRANTY IS LIMITED SOLELY TO THE ABOVE AND THIS WARRANTY AND ANY WARRANTIES IMPLIED BY STATE LAW WILL APPLY ONLY FOR THE APPLICABLE WARRANTY PERIOD SPECIFIED HEREIN. ALSO, GROHE WILL NOT BE LIABLE FOR ANY LOSS, DAMAGE, EXPENSE OR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, WHETHER BASED ON WARRANTY, CONTRACT OR NEGLIGENCE AND ARISING IN CONNECTION WITH THE SALE, USE OR REPAIR OF THE PRODUCT. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CONSEQUENTIAL DAMAGE OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE. UNLESS OTHERWISE CONTRARY TO STATE LAW GOVERNING THE PURCHASE, GROHE'S LIABILITY WILL NOT EXCEED THE CONTRACT PRICE FOR THE PRODUCT CLAIMED TO BE DEFECTIVE OR UNSUITABLE.

GROHE

U.S. SAFE DRINKING WATER

GROHE America, Inc. assures all of our customers that we test each and every one of our products to ensure they meet the safety standards accorded to by law. GROHE America, Inc. has always abided by all U.S. Safe Drinking Water and NSF 61 regulations concerning all potable water material and toxins in food and drinking water and continue to meet the new regulations outlined in the RLDWA and the NSF 61.

TERMS AND CONDITIONS OF SALE

PRICES:
Prices and terms are subject to change without notice.

FREIGHT:
Shipper reserves the right to ship merchandise by the method of our choosing. Shipments are FOB Roselle, IL. Freight pre-paid. No freight allowances on air, surface express, or parcel post shipments.

DELIVERIES:
GROHE is not responsible for delays in deliveries due to circumstances beyond its control such as fires, strikes, transportation delays, materials shortages, accidents or other contingencies of similar nature.

DEFECTIVE RETURNS GUIDELINES:
- All returns must be processed by the point of purchase location.
- Original Return Good Authorization from must be returned with defective product.
- Products returned with missing parts will not be accepted.
- Defective product claims will be paid by credit memo to the point of purchase location only. Debits will not be allowed.
- Parts are not eligible to be returned for credit.
- A copy of the homeowner's receipt must be included for any product being sent back for inspection.
- Normal wear and tear is not considered defective and will not be eligible for return.
- All product will be fully inspected. If the problem is not deemed a manufacturing defect, credit will be denied and the product will be returned to sender.

See Defective Return Authorization form for more details.

LABOR:
No labor charges of any kind will be allowed. Refer to GROHE's limited warranty.

CLAIMS:
All claims must be made within 10 days after receipt of goods.

DAMAGE OR LOSS:
Delivery to the carrier constitutes delivery to the customer.

Any claim for loss or damage in transit should be made promptly by the customer to the carrier. Our responsibility ceases when the goods are delivered in good condition to the carrier.

PRODUCT CHANGES:
We reserve the right to discontinue, alter, modify, or redesign products without liability for the obsolescence of customers' inventories.

GENERAL:
The possession of this price list by anyone will not be accepted by this Corporation (GROHE) as an obligation or offer to sell any goods listed herein. All prices herein quoted supersede all prior price lists and bulletins. Existing Trade Terms continue in effect.

No order, contract or agreement, will become an obligation of the Corporation until accepted, in writing, by the Home Office.

These Terms and Conditions shall be deemed to be a part of all such acceptances by the Corporation and shall supersede any conflicting provisions of customer's purchase order.

GROHE SILKMOVE®

Smoothest handling for effortless precision and ultimate comfort for a lifetime.

GROHE STARLIGHT®

Made to last surfaces ranging from precious matte to shiny like a diamond.

GROHE COOLTOUCH®

No scalding on hot surfaces thanks to 100% GROHE CoolTouch®.

GROHE TURBOSTAT®

Always the right temperature, for the utmost convenience and safety.

GROHE ECOJOY™

Save precious resources and enjoy 100% water comfort.

GROHE DREAMSPRAY®

Innovative quality showers for luxurious revitalization and wellbeing.

GROHE DIGITAL®

Intuitive digital technology at your fingertips.

GROHE WHISPER®

Innovative water technology delivering whisper-quiet acoustics.

GROHE FEATHERCONTROL

The joy of effortless fingertip control and long lasting silky smooth operation.

GROHE QUICKFIX®

Faster, easier and hassle-free, GROHE QuickFix® cuts installation time by up to 40%.

SPEED CLEAN®

Remove limescale with a single wipe.

FOOT CONTROL

Just touch the bottom side of the cabinet with a gentle tap of your foot to turn the faucet ON and OFF.

TOUCH

Just touch the faucet spout with your wrist, elbow or fingertip to turn the faucet ON & OFF.

GROHE SMARTCONTROL®

Choose your preferred water outlet and adjust the water flow as desired.

XL EASYREACH TRAY

Easy cleaning & maintenance with removable shampoo and soap tray.

MOMENTS OF TRUTH **AND FEATURES**

Seven decades of research and development has resulted in a range of products that are renowned worldwide for their technical excellence and longevity. Throughout this price list you'll find references to our water technologies, all of them developed to make your experience with GROHE different, special and better.

ABOUT **GROHE**

QUALITY

GERMAN PERFECTIONISM INSPIRES ULTIMATE CUSTOMER CONFIDENCE.

We strive for an excellence that goes way beyond the surface of our products. In fact, from design to production and customer service we aim for nothing less than perfection at every stage. Our history of great German engineering, rigorous internal tests and numerous external certification processes are what gives our customers complete confidence in a name they can trust.

TECHNOLOGY

MASTERING WATER THROUGH TECHNOLOGY.

In our relentless search for technological innovation we work to integrate the latest digital advances, creating smart solutions that enhance our customers' enjoyment of water. Our in-house experts harness the power of water to enhance the experience of our customers every day – the moment of truth, for our products and brand.

DESIGN

SIGNATURE ELEMENTS STYLED TO PERFECTION.

An empathetic and intuitive design language offers us the opportunity to create products that feel as if they were designed just for you. This unique GROHE DNA that is both ergonomic and visually distinctive has earned us numerous design awards: world class references are testimony to our world-wide recognition.

SUSTAINABILITY

ENSURING WATER ENJOYMENT FOR GENERATIONS TO COME.

Water is as essential as the air that we breathe, one more reason why we are so passionate about it. To be able to offer "Pure Freude an Wasser", not just to today's consumer but for generations to come, we offer sustainable product solutions like GROHE Blue®, GROHE EcoJoy™ and GROHE SilkMove®, and we demon strate through our Sustainability Report and Sus tainability accolades that we have made a serious corporate commitment to protecting the planet.

GROHE
ICONS

ADA/Handicap Symbol
All products displaying this symbol comply with the applicable ADA requirements as stated in the American with Disabilities Act of 2010.

California Energy Commission
The California Energy Commission or CEC enacted California Title 20 Water Efficiency Standards in 2015 to address severely depleted water supplies throughout the state. The CEC's water efficiency standards are comparable or lower than the CALGreen code and WaterSense program standard.

MAP Symbol
All products displaying this symbol are protected by GROHE's UNILATERAL SUGGESTED MINIMUM ADVERTISED PRICE PROGRAM (USMAPP).

SR Symbol
All products displaying this symbol are eligible to earn points in Enjoy Rewards, GROHE's showroom sales based rewards program.

WaterSense
All products displaying this symbol are recognized by the Environmental Protection Agency's partnership program, WaterSense and offer significant water savings while meeting strict performance standards including CALGreen building code standards.

SPA Logo
All products displaying this symbol are part of the GROHE SPA® collections that offer an extensive range of premium fittings for all points of interaction in your bathroom. From the faucet to the bathtub and shower, each enticing collection offers a wide range of products that combine the latest technology with enticing and intuitive design.

Work Smarter Logo
All products displaying this symbol are geared towards professionals who require products that are easy to use and offer a high level of comfort and reliability, award-winning design and innovation at outstanding value.

π To be installed in accordance with local plumbing codes
Δ Overall height will depend on installation of Rough-In Set
Ω Additional Low Flow Solutions, See Page 280

GROHE SENSE™ AND GROHE SENSE GUARD™: YOUR **SECURITY TEAM** FOR WATER SAFETY IN THE HOME

GROHE Sense and GROHE Sense Guard offer a comprehensive water security system that both detects and prevents water damage.

DETECTS LEAKS ON THE FLOOR

SENSES HUMIDITY

SENSES TEMPERATURE AND DETECTS FROST RISK

DETECTS
PIPE BURSTS*
AND SHUTS OFF
WATER FLOW
AUTOMATICALLY

SENSES
WATER
PRESSURE,
TEMPERATURE
AND FLOW

DETECTS
FROST AND
MICRO LEAKS**

TRACKS WATER
CONSUMPTION

* Burst pipes detection depends on the general water usage profile, therefore there may be some time-lag in shutting off the main water line. Achieve higher detection speed by combining the installation with GROHE Sense on critical locations.
** A micro leak test is conducted once every 24 hours. Pipe material, volume and other piping system characteristics can impact the result. Micro leak detection is limited to the cold water system in most cases. Combine with GROHE Sense to monitor potential humidity increase over time.

GROHE SENSE™
THE SMART WATER SENSOR THAT DETECTS WATER LEAKS IN YOUR HOME

GROHE Sense monitors temperature and humidity levels and gives warning if the levels become too high or too low compared to your set thresholds.

When water touches the base of the sensor due to leaks or flooding, GROHE Sense alerts you instantly so you have time to react.

The GROHE Ondus® app –
your personal digital water profile
Know what is going on in your house anytime and stay in control with the GROHE Ondus app on your smartphone.

GROHE SENSE™ AND GROHE SENSE GUARD™: **ALL THE BENEFITS** AT A GLANCE

		GROHE SENSE	GROHE SENSE GUARD
Detects flooding	Emits a pulsating red light and a beeping sound if flooding is detected and alerts you via smartphone.	✓	
Monitors humidity	Checks room humidity level and alerts based on your personal thresholds.	✓	
Monitors room temperature and detects frost risk	Checks temperature and if the room temperature is above or below your thresholds sends out an alert. If the temperature drops below 37°F (3°C), a frost risk alert is sent out.*	✓	
Easily installed	Set up GROHE Sense quickly and easily throughout the home – in just 10 minutes. Includes 3 x AAA batteries.	✓	
Sends alerts when problems are detected	Situation-dependent alerts sent straight to your smartphone.	✓	✓
GROHE Ondus app	One app to access and manage all GROHE connected products from your mobile device.	✓	✓
Detects pipe bursts**	If a pipe break is detected, shuts off automatically the water supply and sends an alert to your smartphone.		✓
Detects micro leaks* and dripping faucets**	Receive warning on your smartphone on detected micro leaks on your cold water system.		✓
Monitors water pressure and flow	Monitors water pressure and warns you if it becomes critical. In addition, it allows for detection of unusual water consumption.****		✓
Monitors water temperature and detects frost risk	Warns you if the incoming water temperature drops below 37°F (3°C).		✓
Tracks water consumption***	Makes your water consumption transparent and helps to keep water bills under control.		✓

* Not to be used as fire detection

** Burst pipes detection depends on the general water usage profile, therefore there may be some time-lag in shutting off the main water line. Achieve higher detection speed by combining the installation with GROHE Sense on critical locations.

*** A micro leak test is conducted once every 24 hours. Pipe material, volume and other piping system characteristics can impact the result. Micro leak detection is limited to the cold water system in most cases. Combine with GROHE Sense to monitor potential humidity increase over time.

**** Detection speed depending on the water usage profile in the house. Achieve higher detection speed by combining the installation with GROHE Sense on critical locations.

***** Delivers indicative water consumption

GROHE SENSE™ & GROHE SENSE GUARD™

	Product #	Handle #	Color/Description	Price
	**22 601 LN0**		White	**$104**

GROHE Sense™
Smart Water Sensor

- For Wireless LAN, Battery powered
- Instant flooding alarm
- Senses room temperature and humidity
- Receives updates on temperature and humidity once a day
- Customized settings via GROHE Ondus® App for iOS and Android
- Status indication via LED light, buzzer and app
- For placement on a flat non-conductive surface
- Supports connections to wireless LAN protected by password of up to 32 characters in length
- LongLife Battery: expected lifetime up to 4 years, depending on the use of the water sensor
- Including:
  - (1) Water sensor
  - (3) AAA batteries
- CE approved
- Wireless LAN 2.4 GHz
- Made in Germany

GROHE
BLUE® CHILLED & SPARKLING 2.0

It's so easy to get your glass of perfect water

Simply use the buttons on the handle.

For cool, still water: just push the top button. The LED lights up blue, filling your glass with pure refreshment.

Your choice is medium sparkling? Press both buttons in sequence – the LED lights up turquoise – to produce a finely pearled stream of water.

For water that bubbles with refreshment: just press the lower button – the LED lights up green – for your perfect glass of sparkling water.

Blue: Still water

Turquoise: Medium sparkling water

Green: Full sparkling water

Tap water

GROHE WATER SYSTEMS

Filtered and fresh, cool, still, or sparkling water. It's your choice with GROHE Blue® Water Systems. Instant access to great-tasting water from the convenience of your kitchen faucet whenever you want it – 24 hours a day, 7 days a week.

MORE TASTE

GROHE Blue® water systems feature a revolutionary high-performance filter that removes the impurities that affect the taste and odor of ordinary tap water.

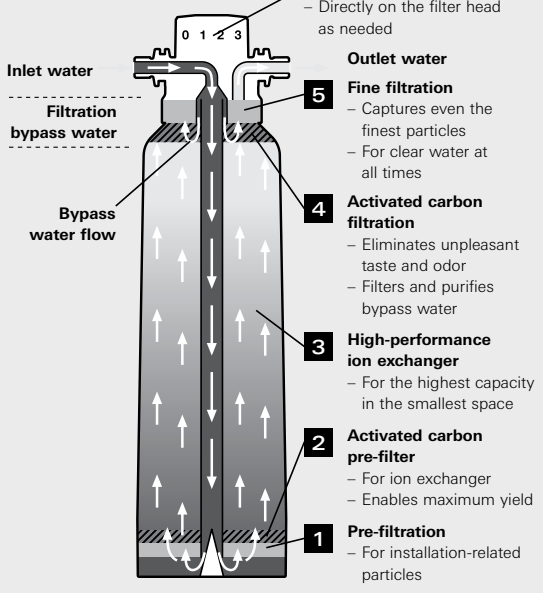

COOL TECHNOLOGY

Turning ordinary tap water into pure refreshment is made possible by GROHE's advanced technology and innovation. GROHE Blue® Pure and GROHE Blue® Chilled & Sparkling filters water and cools it to the perfect drinking temperature directly from the faucet. GROHE Blue® Chilled & Sparkling serves you still, lightly sparkling or full sparkling water.

LESS ENVIRONMENTAL IMPACT

GROHE Blue® Pure and GROHE Blue® Chilled & Sparkling combine convenience and a healthy lifestyle in an environmentally-conscious package. Compared to the pollution and energy consumption caused by filling and transporting bottled mineral water, filtering tap water has a negligible environmental impact. GROHE Blue® products save resources and money, since seven liters of water are needed to put just one liter of bottled water on a supermarket shelf.

FUNCTIONALITY

GROHE BLUE® CHILLED + SPARKLING 2.0

CANNOT BE USED WITH SOFTENED WATER. WATER HARDNESS BELOW 36 PPM PREVENTS CARBONATION.

AVAILABLE SEPTEMBER 2019

GROHE
MINTA®

TOUCH

Just touch the faucet spout or body with your wrist, back of your hand, or even your elbow to turn the faucet ON or OFF

Touching the spout to move it will not activate the water flow

To activate the cleaning mode, touch for 8 seconds

Touch activation: water can be set to desired temperature

DUAL SPRAY WITH PUSH BUTTON LOCK

Switches from regular water flow to spray

SMOOTH TURN

360° spout rotation gives full sink coverage

WATER CARE

Automatic safety stop of water flow after 60 seconds

Adjustable flow rate limiter

GROHE SILKMOVE®

Smoothest handling for effortless precision and ultimate comfort for a lifetime

GROHE
ESSENCE

COMFORT HEIGHT

Height of the spout allows easy filling of large pots

EASYDOCK

Guaranteed easy retraction and smooth docking for your pull-out spray head, every time

DUAL SPRAY WITH TOGGLE FUNCTION

Easily switches between regular water flow and high-performance spray without turning off the water

INTEGRATED TEMPERATURE LIMITER

Can be individually set to the desired maximum water temperature to prevent scalding

FORWARD ROTATING LEVER

Prevents backsplash interference

GROHE SILKMOVE®

Smoothest handling for effortless precision and ultimate comfort for a lifetime

DELICATE DESIGN

Elegant design due to small body diameter and new slim 28mm cartridge

GROHE
F-DIGITAL

GROHE F-DIGITAL
EASY TO USE & INTUITIVE

Using Your GROHE F-Digital Controller

Digital Shower Diverter
Pushing a button is all it takes to switch between the water outlets.

Select between water outlets - one at a time, one after the other or all simultaneously.

How Does It Work?
Radio signals from the digital controller send temperature and water volume changes to the thermostatic valve in the wall

GROHE EcoJoy™
Allows pausing the water flow. If pressed again within 30 seconds water flow restarts with the same flow rate and temperature.

Useful when shampooing - saving water and energy.

Memory Function
Pushing the Power/Pause Button for 2-4 seconds during the water supply, actual settings (temperature, flow rate, outlet) will be saved and recalled every time the faucet or shower is switched on again.

Warm-Up Mode
Pushing the Power/Pause Button for 2-4 seconds starts your shower in the Warm-Up Mode. Blue flashing lights indicate Warm-Up Active. When pre-set temperature is reached water supply stops automatically and the ring flashes blue again - now it is time to enter the shower area.

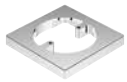

Activating the Warm-Up Mode on the remote controller placed outside of the shower make cold showers a thing of the past.

F-DIGITAL

	Product #	Handle #	Color/Description	Price
  **F-Digital** Digital Controller • GROHE StarLight® • GROHE EcoJoy™ • GROHE Digital® • Max. hot water temperature 115° F (46° C) • Temperature and flow control function • Radio signal technology • ¾" Thermostat cartridge with ½" inlets/ outlets • 13.4gpm at 45psi • Automatic safety shut-off function (after 20 mins) • Includes a 12" Digital Gateway (36 356) for optimal installation reach • Includes three 3V lithium batteries for digital controller Required: Plug-in power supply (65 912) or hardwire power supply (36 078) CAUTION: The signal from the digital controller to the antenna (digital gateway) works within a distance of 15 ft. The signal maybe weaker when transmitting through custom tile/marble. Position the digital thermostat unit in an accessible, unobstructed area. Antenna extension cable (47 727 000) can be used to reach these optional installation areas.	**★36 294 000**		GROHE StarLight® Chrome	**$1,945**
  **F-Digital** Digital Controller + Diverter (Shower Head/Hand Shower/ Body Spray) • GROHE StarLight® • GROHE TurboStat® • GROHE EcoJoy® • GROHE Digital® • Max. hot water temperature 115° F (46° C) • Temperature and flow control function • Radio signal technology • ¾" Thermostat cartridge with ½" inlets/ outlets • 13.4gpm at 45psi • Automatic safety shut-off function (after 20 mins) • Includes three 3V lithium batteries for digital controller and diverter • Includes a 12" Digital Gateway (36 356) for optimal installation reach NOTE: Plug power supply (65 912) sold separately. CAUTION: The signal from the digital controller to the antenna (digital gateway) works within a distance of 15 ft. The signal maybe weaker when transmitting through custom tile/marble. Position the digital thermostat unit in an accessible, unobstructed area. Antenna extension cable (47 727 000) can be used to reach these optional installation areas.	**★36 297 000**		GROHE StarLight® Chrome	**$2,220**

SLIM PROFILE CONTEMPORARY DESIGN

1 5⁄8" (43 mm) total depth
Whatever the installation depth of the rough-in, the total depth of the trim never exceeds 1 5⁄8" (43 mm). The Grohtherm® GROHE SmartControl® trim combines space-saving convenience in the shower and slim good looks.

Thinner wall plates
With a depth of only 3⁄8" (10 mm), its super slim design makes the GROHE SmartControl wall plate both elegant and compact.

Hidden sealing system
The GROHE SmartControl has an integrated sealing system, eliminating the possibility of water seeping in behind the wall.

Symbols can be changed
The control knobs come with a range of different symbols, representing the different shower options. These symbols are clear and recognizable and their functionality distinct. They can be individually configured and also easily changed, if required.

LESS IS MUCH MORE – ONE TRIM DOES IT ALL

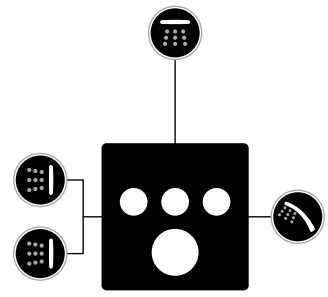

Control up to three shower outlets with just one trim
With just one rough-in and one trim, it is possible to enjoy multiple shower options. Featuring up to three GROHE SmartControl volume controls plus thermostat in one trim, GROHE SmartControl means half the work for three times the showering pleasure.

Single function trim

Dual function trim

Triple function trim

Triple volume control trim

JUST ONE ROUGH-IN AND ONE TRIM NEEDED

PUSH, TURN, SHOWER

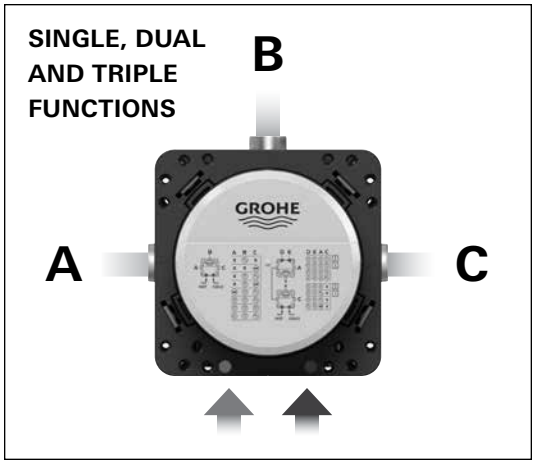

Push the button to start the shower.

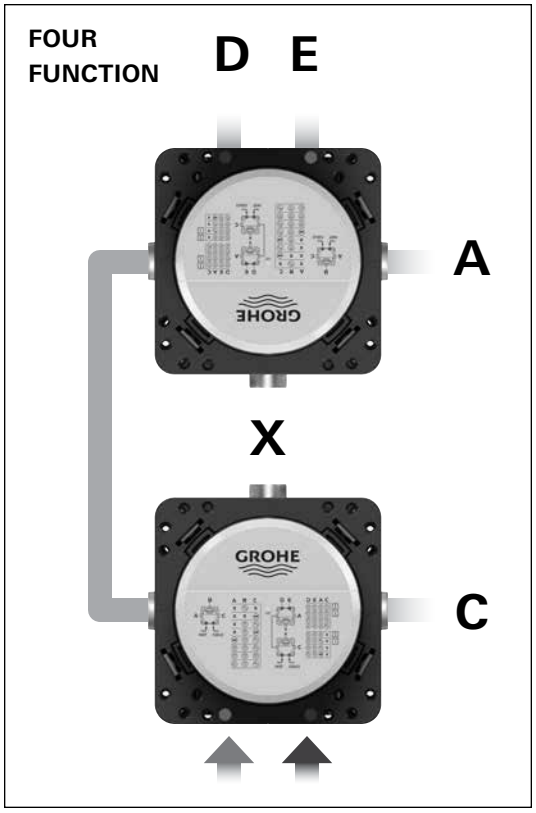

Turn to adjust the water volume gradually from light to full water flow.

Push again to stop or pause the shower. The volume is now preset when you restart.

GROHE
GROHFLEX®

ONE ROUGH-IN **DOES IT ALL**

Easy to install, easy to upgrade and easy to maintain. A better universal valve system.

Multiple functions/multiple trims – all designed to fit in one universal rough-in box. GrohFlex® provides the groundwork for any shower or tub/shower installation, making complex planning, ordering and installation easy and efficient. It simplifies rough-in construction – allowing work to proceed even without final function or trim selection. Plus, integrated service stops and an enhanced flushing system make for fast and easy installation/maintenance.

GROHE
RETRO-FIT™ SHOWER SYSTEM

GROHE RETRO-FIT™
SHOWER SYSTEM

Transform a standard shower into a multifunctional, luxury shower

The Retro-Fit™ shower system is quick to install. There is no need to replace tiles or plumbing work behind the wall. The Retro-Fit™ system can be integrated into any style of hand shower and shower head that suits your needs and bathroom decor.

GROHE
POPULAR COMBINATIONS

Complete your shower system with these popular showerhead and hand shower options.

XXL pleasure with 100% control.
You can enjoy your shower with intuitive flow control - revitalizing or relaxing, stimulating or soothing. With the exact desired temperature at all times.

XL EASYREACH TRAY TO STORE SHAMPOO & SOAP

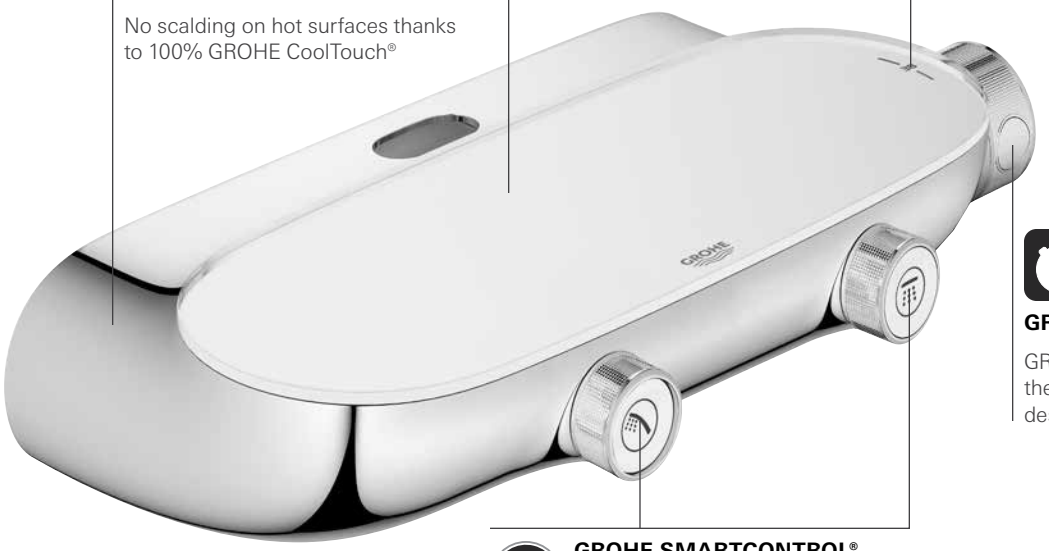

Easy cleaning and maintenance with removable tray

GROHE SAFESTOP

Set for 38°C / 100°F

GROHE COOLTOUCH®

No scalding on hot surfaces thanks to 100% GROHE CoolTouch®

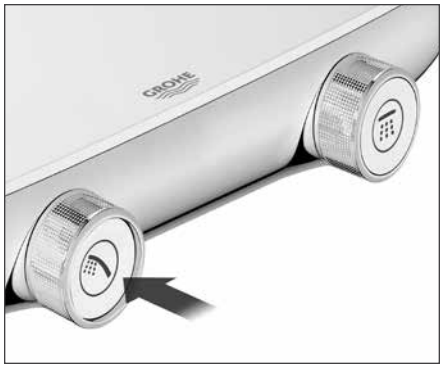

GROHE TURBOSTAT®

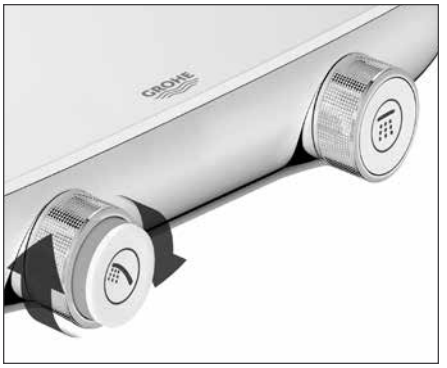

GROHE TurboStat® ensures the water is always at the desired temperature

GROHE SMARTCONTROL®

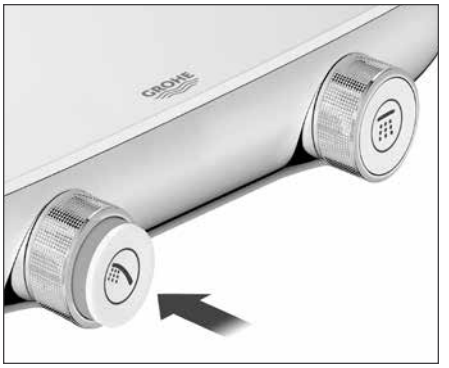

Push the button to start the shower

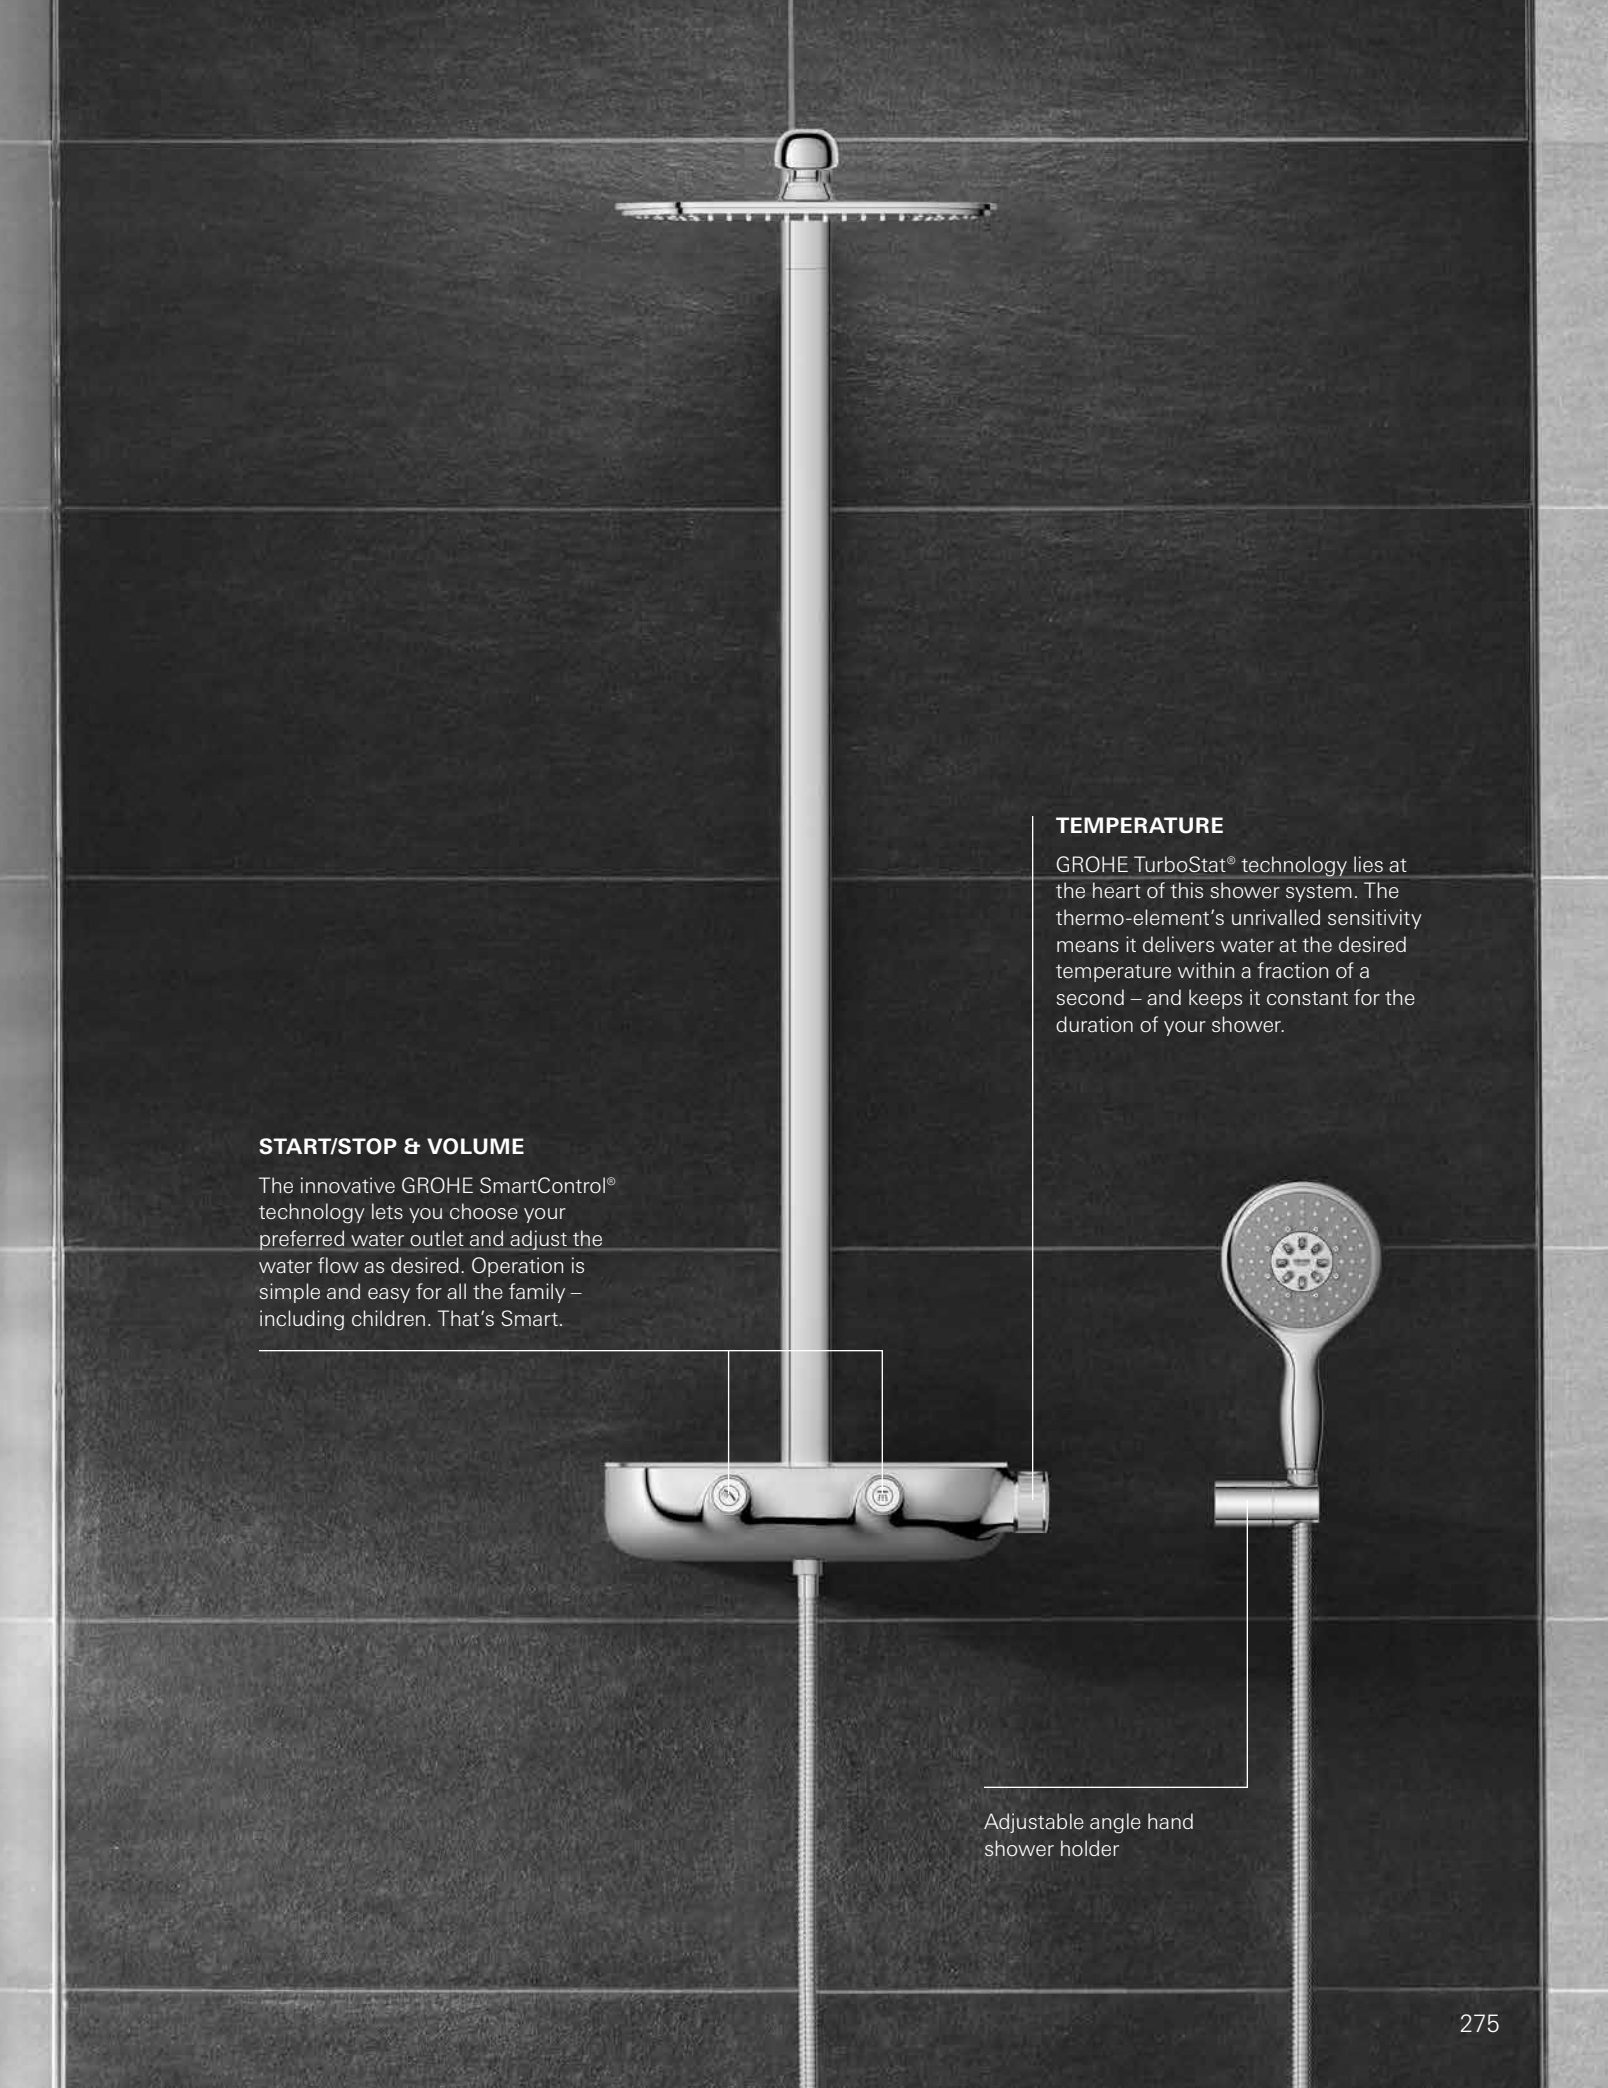

Push the button to start the shower.

Turn to adjust the water volume gradually from Eco to Full Flow.

Push again to stop or pause the shower. The volume is now preset when you restart.

TEMPERATURE

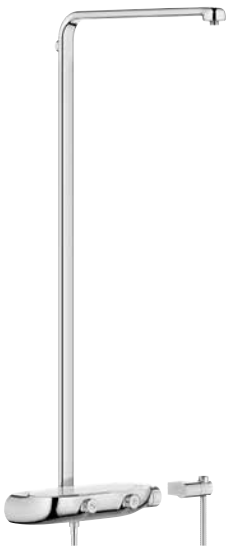

GROHE TurboStat® technology lies at the heart of this shower system. The thermo-element's unrivalled sensitivity means it delivers water at the desired temperature within a fraction of a second – and keeps it constant for the duration of your shower.

START/STOP & VOLUME

The innovative GROHE SmartControl® technology lets you choose your preferred water outlet and adjust the water flow as desired. Operation is simple and easy for all the family – including children. That's Smart.

Adjustable angle hand shower holder

GROHE
PRESSURE BALANCE VALVE

Features & Benefits

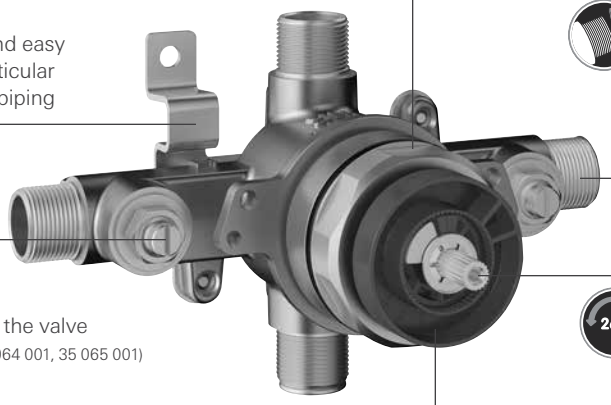

The new GROHE Pressure Balance Valve combines shower safety performance with a plumbers choice of easy installation and great user experience thanks to the 265° comfort range. The GROHE Blue Core cartridge is proof of the German design and engineering.

CARTRIDGE FASTENING NUT

Quickly remove within seconds for access to the cartridge ideally for initial installation (sweating) and back to back installation when cartridge needs to be reversed

METAL SUPPORT BRACKETS

Allowing quick and easy installation in particular when using PEX piping

SOLID BRASS INLET CONNECTIONS (PEX,SWEAT, NPT)

Fast and easy installation without adapters for most common piping connection reducing leak points

INTEGRAL SERVICE STOPS

Ensure easy service at the valve

(Available on 35 015 001, 35 064 001, 35 065 001)

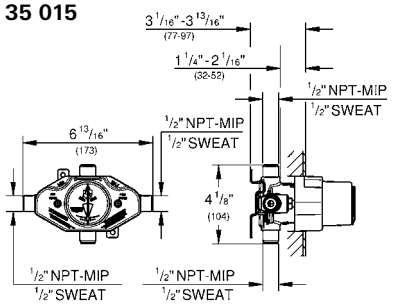

265° COMFORT RANGE

Allows user to fine tune the perfect shower temperature

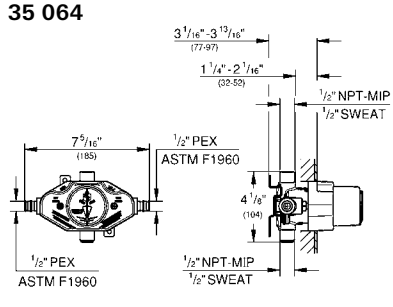

BLUE CORE CARTRIDGE

The Blue Core Cartridge is proof of GROHE quality and allows plumbers to easily identify the cartridge

Product Description:
Universal Pressure Balance Rough-In Valve

Standard Specification:

- Solid brass body
- One-piece cartridge design
- Reversible cartridge (back to back installation)
- 265° Temperature comfort range
- ASSE 1016 compliant
- Support bracket
- Service stops (replaceable)
- Multiple built-in connections
  - ½" Sweat/NPT
  - PEX Expansion (1960)
  - PEX Crimp (1807)
- Separate valve direct sweat only
- Flow rate 4.0gpm @ 60 psi
- All exiting GROHE trims are compatible (Except the Arden® trim; new SKUs available) SKU# (19 311 xx1 / 19 312 xx1)
- Extension kit available (deep wall installation) SKU# 47 996 000
