ENJOY WATER®

Euphoria® NEW

Outstanding Value

Like nature, GROHE strives for design perfection – reducing the unnecessary to ensure beauty with reason. The new Euphoria hand shower illustrates this through its ergonomic design. The extended handle flows seamlessly into the spray face, surrounding it with an elegant ring of chrome.

Performance Features:

- **SpeedClean®** anti-lime system – a simple wipe of a finger is all that is needed to remove limescale and maintain “like-new” performance
- 4 $\frac{1}{3}$ ” spray face
- **GROHE DreamSpray®** Technology – advanced shower engines efficiently distribute an equal flow of water to every single nozzle for a shower experience that is second to none
- **GROHE SprayDimmer** – Eco setting which reduces water flow 20%
- **GROHE CoolTouch®** Technology creates a thermal barrier between the hot water and the surface of the hand shower
- **GROHE StarLight®** Technology for a brilliant long lasting chrome finish
